

APPLICATION FOR LAND USE PERMIT

To be completed by all applicants

Applicant contact information			
Name		Phone	Alternate contact number
Fax	Email		
Address		City or Town	Territory or Province
			Postal code
Site contractor or person in charge (if different from applicant)		Phone	Alternate contact number
Fax	Email		
Contractor's address		City or Town	Territory or Province
			Postal code

Project description
<p>Describe purpose, nature and location of all activities – refer to Section 21(2)(b) – Land Use Regulation. Attach additional pages if necessary.</p>

Include a sketch/map
<ul style="list-style-type: none">• Provide a detailed sketch/map showing the location and extent of all project activities (e.g. road location and dimensions, water crossings, geotechnical pit locations, etc.)

Equipment (Attach additional pages if necessary – only equipment listed can be used to undertake the permitted activities)

Type and number	Size	Proposed use

Fuels (Attach additional pages if necessary)

Fuel type	Number of containers	Capacity of containers

Fuel containment

Fuel spill contingency plans (please attach separate contingency plan if necessary)

Method of fuel transfer (to other tanks, vehicles, etc.)

Proposed disposal methods

a) Solid waste

b) Sewage (sanitary and grey water)

c) Brush and trees

d) Overburden (organic soils, waste material, etc.)

Site characteristics

Soils (sand, gravel, clay, silt, peat, etc.)

Vegetation (spruce, pine, poplar, willow, cleared, etc.)

Topography (flat, steep, rolling, etc.)

Proximity to water bodies (rivers, streams, lakes, ponds within or near the application area)

Road or trail construction/water crossings**Road route**

Has the route been laid out or ground truthed? ☐ Yes ☐ No
If no, a pre-inspection will not occur until the route has been flagged in the field.

Purpose

a) Access to private property? ☐ Yes ☐ No If Yes, Lot # _____
b) Other (specify)

Type

☐ Summer ☐ Winter ☐ Year round ☐ Trail ☐ Other

Description

Length	Travelled road width	Right-of-way width
--------	----------------------	--------------------

Who will be responsible for maintenance?

Indicate person, company, association, etc.

Source gravel/fill

Indicate intended source, if any

Water crossing(s)

Stream name

Road name	Type of fill to be used at crossing
-----------	-------------------------------------

Site conditions

Width of stream at crossing	Depth of stream at crossing
-----------------------------	-----------------------------

Bridge – Will a bridge be installed? ☐ Yes ☐ No

Proposed bridge length	Clearance	Clear span	Crib height	Crib width	Deck width
------------------------	-----------	------------	-------------	------------	------------

Stringer type	Stringer spacing
---------------	------------------

Deck details

Culvert – Will culverts be installed? ☐ Yes ☐ No

Culvert diameter	Culvert length
------------------	----------------

Camp facilities and maintenance

Structures/facilities – camp required ☐ Yes ☐ No

New facilities (specify)

Existing facilities (specify)

Trailer(s)

Tent/tent frame

Will camps or facilities be located within 30 metres of water bodies or structures? ☐ Yes ☐ No

Camp size

Number of camps

Max number of persons in camp at a time

Number of person-days/camp (persons x days)

Seasonal camp closure

Describe work that will be done at the end of each year to secure camp facilities

Potential environmental/resource impacts

Describe the adverse effects of the proposed program on land, water, flora and fauna, and related socio-economic issues. Attach additional pages if necessary.

Proposed restoration plans

Consultation

Have you discussed the proposed operation with any First Nations, any individuals or organizations that may be affected by the project? If so, indicate who and what input you have received (e.g. any concerns you are aware of, support for the project, interest in participation, other input). Attach additional pages if necessary.

Other rights, licences or permits

Other rights, licences or permits related to this permit application (e.g. mineral claims, timber permits, water licences, access permit, fuel storage, etc.)

Please indicate if this project involves work around/under utilities and/or telecommunication lines. ☐ Yes ☐ No

Current zoning of land under application

- ☐ None ☐ Urban residential
☐ Country / Rural residential ☐ Cottage ☐ Commercial ☐ Industrial
☐ Other

Name of applicable community or local area plan

Period of operation

Period of operation including time to cover all phases of project work applied for including restoration

Period of permit (up to two years, with maximum of one year extension)

Start date

YYYY/MM/DD

Completion date

YYYY/MM/DD

Location of operation (GPS points and shapefiles may be submitted via email)

NTS map number(s) (1:50,000 scale)

Coordinates of area ☐ NTS (° / ' / ") or ☐ UTM system

Quadrant

Range of latitude: most northerly point

to most southerly point

Range of longitude: most westerly point

to most easterly point

Schedule of fees

<input type="checkbox"/> Land use permit application fee	\$150.00	
First two (2) hectares (automatic fee)	\$50.00	
Add \$50.00 for each additional hectare or portion of hectare (_____ ha @ \$50.00)	\$ _____	
Calculation of area involved (including access, staging areas, airstrips, campsites, etc.)		
GST	\$ _____	
Total	\$ _____	

Signature – applicant/owner consent

I/we certify that all of the submitted information is true and correct to the best of my knowledge and belief.

I/we understand that any misrepresentation of submitted data may invalidate any approval of this application.

I/we confirm that, if approval is granted, all work or activities will be undertaken consistently as outlined in this application and in compliance with any terms or conditions as may be specified or contained in said permit.
