Hunting on First Nations lands

First Nations Settlement Lands are depicted in yellow throughout these maps. Written permission (consent) from the First Nation is required before hunting **any** big or small game species on all Category A Settlement Lands and fee simple (private) lands. Consent from the First Nation is required before hunting bison and elk on **both** Category A and B Settlement Lands. Verbal permission is **not** consent. Licensed hunters must comply with the *Wildlife Act* and Regulations while hunting on Settlement Lands and fee simple lands. Read the *Yukon Hunting Regulations Summary* to learn about your rights and responsibilities on these lands.

Overview map of Game Management Subzones and special area restrictions 2026

Some Settlement Lands are too small to be visible on this map.

Category B First Nations Settlement Lands (important for bison and elk hunters) are **not** depicted on this map.

This map is **not** intended to accurately portray road and route access beyond highways. Hunters are strongly encouraged to acquire detailed topographic (NTS) maps for use in the field.

Detailed administrative boundary maps (1:250,000 scale) showing **all** Category A and B Settlement Lands are available for viewing or purchase (\$10 + GST) at the Department of Environment office at 10 Burns Road, Whitehorse. These maps can also be accessed through Yukon.ca/hunting.
